Mon-Sat 10 - 7

Sun 12 - 5

A very big thanks to all of you who took advantage of our 50% off all Luminarte products. We are all saddened by the news that the company is closing. However, by the response both MTM and Leslie has had; we know how much everyone loves the products!

We have shipped out our first 2 batches of orders. If you ordered products after February 18th, your order went into Luminarte with our 3rd batch of orders.

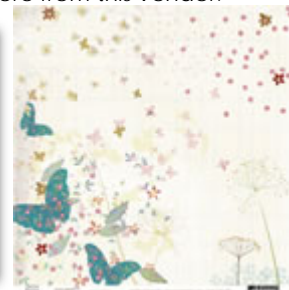

Leslie is working hard to get this order to us and we are expecting it in our store by the end of March. Then, we "pick" - "pack" - and "sort" and get these items off to you!

If you've given us an email address, you will receive a shipping notice from UPS.

We now are carrying Memory Box stamps, papers, and paper packs. We love the cute stamps and fabulous papers for card making or scrapbooking. The 6x6 paper packs have 3 each of 10 beautiful patterns. Their 12x12 paper is perfect for any papercrafting project.

As we go forward, we'll be bringing in more and more from this vendor.
