MTM's Class Series: Tag Swatch Recipes

Our new series of classes has been a **major** hit with our students & customers!

Each week, we host a 90-minute class featuring a different product or technique that focuses on the many things we, as crafters, already own (or want to learn more ways to use.) You will go home with the 'recipe' on the back of each tag ready for you to recreate the technique on your own artistic projects. If you haven't yet signed up for these classes, **call 847-755-0861** to secure your space in the Tag Swatch Recipe Workshops for only \$15. We only accept 6 maximum participants for each workshop so everyone can have personal attention learning these techniques.

Please don't wait if you wish to attend a February workshop; (January's classes have already been filled from our waiting list.)
