Fabulous Foilage Folding Folio 11:30 - 2 pm \$35**

Here is the next awesome ART Workshop project. It's a folding folio designed by celebrity artist Janelle Kelso from PK Glitz. We had such a fabulous time at her class in June, that we're honoring her with this modified creations class. This folio is 8x6" when closed, and has a pocket suitable for 5x7" greeting cards, personalized stationary, or smaller note cards. Makes a great back-to school gift for a teacher or students going off to college! Add your own artistic and hand-stamped creations for the complete package. Get a head start on the holidays!

Complete the Foilage Folio using Renaissance Gilded papers from GPC (a Karen Thomas favorite!) cardstocks, ribbons, embellishments from KaiserCraft and a few stamps & surprises! All materials to complete the project will be provided. A basic stamping kit, including a glue stick, scissors, pencil, ruler, dry adhesive (and any floral stamps you may want to use) must be brought with you to class. Call 847-755-0861 to register. Space will be limited so don't wait to secure your spot..
