We're now all settled in our NEW LOCATION!

We are so happy to be in our new store and location!

We're pleased that everyone is finding us, even though we're still waiting for approval to install our new neon sign. Unfortunately, some things can't happen as fast as we'd like.

New products are now shipping and being put out on the floor. Classes are being scheduled, and we're excited to see you all!

If you've had any difficulties finding us: Just go East of Roselle Road toward the Outback Steak house and turn in at the light (Golf and Wilkening). Then, turn left at Yu's Mandarin Restaurant and drive straight towards the Verlo Mattress Factory. We're right there on Verlo's east entrance. (we're in the 'elbow' of the "L" shaped mall called Copley Center. Thanks for your patience during this time of "change".
